Car Safety Tip of the Month!

Summer Car Care Check list!

Before hitting the road

this summer, you can take several simple precautions to keep your car operating properly and your family safe. Extreme heat and long drives can be tough on cars - leading to cracked hoses, leaky radiators, dirty filters, and worn tires with the wrong tire pressure. Make sure you check all your car's fluids and component wear to ensure a safe and breakdown-free summer!

Graeves Auto & Tire

is a AAA approved auto repair center.
